Company **Profile**

We are established with a qualified and professional team to fulfill the needs of Labor from Pakistani manpower to companies in Dubai, Saudia Arabia, and Romania.

About Us

Al- Hajri Enterprises strives to ensure high-quality assessment to find valued employees in the private and public sector while emphasizing a high level of professionalism & social values. We are established with a qualified and professional team to fulfill the needs of Labor from Pakistani manpower to companies in Saudia Arabia, UAE, Qatar, Oman, Dubai, South Asia, and Romania. The unique features of the company are that we cater to the fields of all sectors including engineering, medicine, education, construction, hotel management, information technology, and more. Being established in 1993, we are registered under license no. MPD / 2254 / SKT issued by the government of Pakistan.

Moreover, our qualified, trained & verified panel staff operates in such a manner that it enables the company to be the best in the market. With unbiased, pressure & influence-free management, we have a high success ratio in secrecy & accuracy to provide employment opportunities to people all over Pakistan. We aim to become one of the major labor supply networks of foreign companies. We are an official member of the Pakistan Overseas Employment Promoters Association and Sialkot Chamber of Commerce and Industry.

Mision Statement

Our mission is to opt for a transparent and flexible strategy by portraying integrity and consultation in our customer service. We are committed to facilitating high- quality labor to all sectors in foreign companies. We maintain an optimum, secure, and standardized testing environment for best selections

Vision Statement

To secure a better future for foreign companies by providing quality testing and assessment services to qualify passionate labor. We aim to become a foremost choice in labor supply for renowned companies all around the work, working with a “zero-tolerance policy” for valid assessments.

CEO
Bashir Ahmed

CEO Message

"I take pride in the amazing dedication we have put forward for the promotion of Pakistani labor in foreign countries. We bring solutions to the biggest problem of unemployment in Pakistan and let the individuals have a chance to display their best efforts. Companies trust in us as we deliver the most professional and talented workforce and continue to do so in future."

Our Principles

We provide solutions to the employment issues and labor supply of various companies.

Our Policy involves the following principles

International Standard Testing

Our testing methods are based upon International techniques applied by highly educated & professional staff.

Quality management

A good reputation is everything in the industry. We are highly committed to display high standards of safety and quality. We fulfill our promises.

Zero tolerance

We have a zero-tolerance policy in the application of our principles. We are highly committed to our values and have built a relationship of trust with our clients.

Transparency

We will always carry out our projects responsibly, stay committed to our principles, and be true to our social responsibilities as a corporation.

Responsibility

We value our clients, as it is our responsibility to ensure safety and efficiency in the services we deliver to them.
